

## ORDINANCE 19-03

### AN ORDINANCE AMENDING CITY OF BYRON CITY CODE CHAPTER 92 STREETS AND SIDEWALKS

The City Council of the City of Byron ordains:

**Section 1.** Chapter 92 Streets and Sidewalks, section 92.08 Permit Requirement Section A (3) is amended to read as follows:

- (a) *Decorative and aesthetic requirements.* Where an applicant proposes collocation or placement of a small wireless facility on a decorative wireless support structure, sign or other structure, the city may impose reasonable, objective requirements to accommodate the particular design, appearance or intended purpose of such structure, including, but not limited to, the following requirements:
- (i) the small wireless facility must have, to the greatest extent reasonably possible, limited exposed cabling and mounting hardware; and
  - (ii) the small wireless facility must match the wireless support structure, sign, or other structure, to the greatest extent reasonably possible, in color, material, and design.

Byron City Code shall be amended to include the noted wording above.

ADOPTED this 12th day of March, 2019.
